

ICAN CONGRESS 2016

PROVISIONAL SCIENTIFIC PROGRAMME

SUNDAY 25 SEPTEMBER	
14h00	Registration
CHAIR Shaheen Mehtar	
18h00 – 19h00	Welcome Address & Opening Ceremony - Speaker (Minister of Health, tbc)
19h00	WELCOME FUNCTION & TRADE PREVIEW

MONDAY 26 SEPTEMBER			
SESSION 1	CHAIR Shaheen Mehtar		
	VENUE 1		
08h30 – 09h15	Keynote Address – Antimicrobial stewardship – Trials and tribulations – Dilip Nathwani (UK)		
09h15 – 10h30	Free Papers (5 x 15mins)		
10h30 – 11h00	REFRESHMENTS & POSTER REVIEW – EXHIBITION AREA		
SESSION 2	Antimicrobial Stewardship – African Style	Decontamination & Sterilization: The Latest Word	Linking to the Community for Infectious Disease Control
CHAIR	Linus Ndegwa	Tina Bradley	Jean Paul Ngandu
	VENUE 1	VENUE 2	VENUE 3
11h00 – 13h00	<p>11h00 – 11h30 Global and national surveillance of antimicrobial resistance: a WHO perspective - Sergey Eremin (WHO, Switzerland)</p> <p>11h30 – 12h00 Title tbc - Tim Walsh (UK)</p> <p>12h00 – 12h30 An alternative model for AMS in ID resource-constraint settings – a collaborative approach - Adrian Brink (South Africa)</p> <p>12h30 – 13h00 Coordinating a national AMR response in a resource constrained environment - Jean-Bosco Ndiokubwayo</p>	<p>11h00 – 11h30 Challenges with decontamination & sterilisation in Africa - Shaheen Mehtar (South Africa)</p> <p>11h30 – 12h00 CSSD facilities in Africa – where are we today? - Boniface Hakizimana (Rwanda)</p> <p>12h00 – 12h30 When, where and how to use disinfectants - Christina Bradley (UK)</p> <p>12h30 – 13h00 Drivers to improve decontamination and sterilization in LMIC - Nizam Damani (UK)</p>	<p>11h00 – 11h30 Linking to the community for Infectious Disease Control - May Osman (Sudan)</p> <p>11h30 – 12h00 Ignoring the community – a critical gap in infectious disease control - Manty Turay (Sierra Leone)</p> <p>12h00 – 12h30 Linking healthcare-associated infections with the community: not all infections we need to prevent are acquired in our hospitals - Bruce Gamage (IPAC, Canada)</p> <p>12h30 – 13h00 Infection prevention among community health volunteers managing uncomplicated malaria in communities of Bungoma County, Kenya - Jane Carter (Kenya)</p>

ICAN CONGRESS 2016

PROVISIONAL SCIENTIFIC PROGRAMME

13h00 – 14h00		LUNCH & EXHIBITION / INDUSTRY SYMPOSIA	
MONDAY 26 SEPTEMBER			
SESSION 3	AMS Workshop – Role of the Clinical Nurse in AMS in Africa	Technical Advances in IPC Training	Developing IPC Programmes in African Healthcare Facilities
CHAIR	Ravathi Gunthuru	Moustafa Abdelnasser	Fortune Ncube
	VENUE 1	VENUE 2	VENUE 3
14h00 – 16h00	<p>14h00-14h20 The role of the registered nurse in the implementation of an antimicrobial stewardship programme - Briette du Toit (South Africa)</p> <p>14h20-14h40 Title tbc - Enrique Castro Sanchez (UK)</p> <p>14h40-15h00 Playing the part: Nurses in antimicrobial stewardship - Evelyn Wegsangula Garp (Kenya)</p> <p>15h00-15h30 Main barriers to ASPs and how to overcome them - Gabriel Levy Hara (Argentina)</p> <p>15h30 – 16h00 Discussion on AMS – the role of the clinical nurse; led by Ravathi Gunthuru</p>	<p>14h00 – 14h30 We accredit, therefore we are - Ossama Rasslan (Egypt)</p> <p>14h30 – 15h00 IPC teaching – can anyone do it? - Sade Ogunsola (Nigeria)</p> <p>15h00 – 15h30 Setting up a structured curriculum for Africa – One size fits all - Marcelyn Tsitsi Magwenzi (Zimbabwe)</p> <p>15h30 – 16h00 What is App-t for Africa? Introducing technology that engages - Shaheen Mehtar (South Africa)</p>	<p>14h00 – 14h30 Title tbc - Valerie Robertson (Zimbabwe)</p> <p>14h30 – 15h00 Infection prevention and control before and after Ebola in Sierra Leone - Christiana Conteh (Sierra Leone)</p> <p>15h00 – 15h30 Title tbc - An Caluwaerts (Belgium)</p> <p>15h30 – 16h00 Institutionalising IPC into health systems – lessons from the Ebola response and recovery in Sierra Leone - Stacey Mearns (UK / SL)</p>
16h00 – 16h30	REFRESHMENTS – EXHIBITION AREA		
16h30 – 17h15	<p>State of the Art Lecture – State of the world’s antibiotics - Ramanan Laxminarayan (USA / India) Chair: Shaheen Mehtar</p>		
17h15 – 18h30	ICAN AGM		
	FACULTY DINNER & FREE EVENING FOR DELEGATES		

ICAN CONGRESS 2016

PROVISIONAL SCIENTIFIC PROGRAMME

TUESDAY 27 SEPTEMBER			
SESSION 4	CHAIR Ossama Rasslan		
	VENUE 1		
08h30 – 09h15	Keynote Address – IPC priorities for field implementation in low-resource settings – What have we learnt from the Ebola epidemic and the scientific evidence? – Benedetta Allegranzi, WHO Geneva (Switzerland)		
09h15 – 10h30	Free paper session (5 x 15mins)		
10h30 – 11h00	REFRESHMENTS & POSTER REVIEW – EXHIBITION AREA		
SESSION 5	Outbreaks in Africa – The Perfect Storm!	Maternal and Child Health	WASH & IPC – Marriage Made in Heaven
CHAIR	Sade Ogunsola	Angela Dramowski	Bimbo Sowande
	VENUE 1	VENUE 2	VENUE 3
11h00 – 13h00	<p>11h00 – 11h30 Are we prepared to handle outbreaks in Africa - Ben Park (USA)</p> <p>11h30 – 12h00 What is needed to contain outbreaks - Mamunur Malik (Egypt)</p> <p>12h00 – 12h30 Strengthening laboratory reporting and surveillance - Andrew Whitelaw (South Africa)</p> <p>12h30 – 13h00 Weak Infrastructure – a recipe for disaster or thinking outside the box - Martine van Utterbeeck (Lesotho)</p>	<p>11h00 – 11h30 Association between puerperal sepsis infection and neonatal survival - Anthony Wanyoro (Kenya)</p> <p>11h30 – 12h00 Title tbc - Anna Maruta (Zimbabwe)</p> <p>12h00 – 12h30 Healthcare-associated infections in hospitalized children and neonates - Angela Dramowski (South Africa)</p> <p>12h30 – 13h00 Vaccination programmes in Africa – Neonatal Tetanus - Charles Wiysonge (Cameroon)</p>	<p>11h00 – 11h30 IPC & WASH – a marriage made in heaven - Hilton Chilbeleka (Zambia)</p> <p>11h30 – 12h00 Healthcare waste management in Africa: problematics and solutions prospects - Babacar Ndoye (Senegal)</p> <p>12h00 – 12h30 Title tbc - Molla Godif (Ethiopia)</p> <p>12h30 – 13h00 Sanitation and IPC – lessons learnt from West Africa - Jean Paul Ngandu (Namibia)</p>
13h00 – 14h00	LUNCH & EXHIBITION / INDUSTRY SYMPOSIA		

ICAN CONGRESS 2016

PROVISIONAL SCIENTIFIC PROGRAMME

TUESDAY 27 SEPTEMBER			
SESSION 6	Lessons Learnt from Ebola	WHO guidelines and SSI Prevention	HAI Surveillance in Africa: What, Where and How?
		Building core components for IPC programmes and improving surgical infectious outcomes	
CHAIR	Boniface Hakizimana	Benedetta Allegranzi	Val Robertson
	VENUE1	VENUE 2	VENUE 3
14h00 – 16h00	<p>14h00 – 14h20 Challenges to IPC programmes - Anne Eastaway (UK)</p> <p>14h20 – 14h40 Experiences from Sierra Leone - Nanah Sesay-Kamara (Sierra Leone)</p> <p>14h40 – 15h10 Experiences from Liberia - Catherine Cooper (Liberia)</p> <p>15h10 – 15h30 Experiences from Guinea – challenges and successes in Ebola outbreak response - Moussa Koulibaly (Guinea)</p> <p>15h30 – 15h50 Partnerships that work in the face of diversity - Amy Kolwaite (USA)</p> <p>15h50 – 16h00 Discussion</p>	<p>14h00 – 14h30 Title tbc - Joe Solomkin (USA)</p> <p>14h30 – 15h00 Title tbc - Benedetta Allegranzi (Switzerland)</p> <p>15h00 – 15h30 Title tbc - Peter Nthumba (Kenya)</p> <p>15h30 – 16h00 Title tbc - Nizam Damani (UK)</p>	<p>14h00 – 14h30 Prevalence of HAI in hospitalized patients in Kenya - Linus Ndegwa (Kenya)</p> <p>14h30 – 15h00 Title tbc - Awa Ndir (Senegal)</p> <p>15h00 – 15h30 Title tbc - Anna Maruta (Zimbabwe)</p> <p>15h30 – 16h00 Surveillance challenges, opportunities and rewards at a tertiary teaching hospital in South Africa - Marina Aucamp (South Africa)</p>
16h00 – 16h30	REFRESHMENTS – EXHIBITION AREA		
16h30 – 17h15	State of the Art Lecture: Bats and rodents at the origin of zoonoses and pandemics – Wolfgang Preiser (South Africa) Chair: Linus Ndegwa		
19h30	CELEBRATION DINNER – CHIEF’S BOMA, INDABA HOTEL		

ICAN CONGRESS 2016

PROVISIONAL SCIENTIFIC PROGRAMME

WEDNESDAY 28 SEPTEMBER			
SESSION 8	CHAIR SHAHEEN MEHTAR		
	VENUE 1		
08h30 – 09h15	Keynote Address – Infection control as a priority worldwide: the case of hand hygiene – Didier Pittet (Switzerland)		
	VENUE 1	CHAIR SHAHEEN MEHTAR	VENUE 2
09h15 – 10h30	HH Workshop – Didier Pittet		Free paper session (5 x 15mins)
10h30 – 11h00	REFRESHMENTS & POSTER REVIEW – EXHIBITION AREA		
SESSION 9	Healthcare Amplifiers of Tuberculosis in Africa	Behavioural Change in IPC	Emerging infections – and zoonosis
CHAIR	Ginny Lipke	Anna Maruta	CHAIR TBC
	VENUE 1	VENUE 2	VENUE 3
11h00 – 13h00	<p>11h00 – 11h20 TB Proof: preventing tuberculosis in healthcare workers - Angela Dramowski (South Africa)</p> <p>11h20 – 11h40 Highlighting the need for more infection control practitioners in low and middle income countries - Ginny Lipke (USA)</p> <p>11h40 – 12h10 Screening and managing MDR in clinical settings - Karen Brudney (USA)</p> <p>12h10 – 12h20 TB and the healthcare environment: what you can do now! - Garry Blackwelder (USA)</p> <p>12h20 – 13h00 Discussion on TB in HCW</p>	<p>11h00 – 11h30 Achieving behaviour change in infection control practices: learning from successful interventions - Michael Borg (Malta)</p> <p>11h30 – 12h00 Behavioural interventions to improve IPC in LMIC - Sanjeev Singh (India)</p> <p>12h00 – 12h30 Standard precautions & behaviour change in IPC - Moustafa Abdelnasser (Egypt)</p> <p>12h30 – 13h00 Title tbc - Ndeye Fatou Sow (Guinea)</p>	<p>11h00-11h30 Outbreaks – Zika - Lucille Blumberg (South Africa)</p> <p>11h30 – 12h00 Middle East Respiratory Syndrome (MERS) – a pandemic in waiting - Wolfgang Preiser (South Africa)</p> <p>12h00 – 12h30 MERSCoV – what are we doing right or wrong? - Ziad Memish (Saudi Arabia)</p> <p>12h30 – 13h00 Title tbc - Michael Tapper (USA)</p>
13h00 – 14h00	LUNCH & EXHIBITION / INDUSTRY SYMPOSIA		

ICAN CONGRESS 2016

PROVISIONAL SCIENTIFIC PROGRAMME

WEDNESDAY 28 SEPTEMBER			
SESSION 10	Workshop on TB Implementation	The Built Environment and IPC	Safety Engineered Devices – Avoid That Little Prick
CHAIR	Michelle Pearson	Shaheen Mehtar	Awa Ndir
	VENUE 1	VENUE 2	VENUE 3
14h00 – 16h00	<p>14h00 – 14h15 Introduction - Ginny Lipke (USA)</p> <p>14h15 – 14h35 Addressing the quality gaps - Apollo Basenero (Namibia)</p> <p>14h35 – 14h55 Implementing a novel TB infection control initiative in Nigeria: Results from Nigeria TB BASICS pilot project - Bethrand Odume (Nigeria)</p> <p>14h55 – 15h15 Infection control in MDR TB decentralised settings in South Africa: a baseline study - Annatjie Peters (South Africa)</p> <p>15h15 – 15h35 Implementing TBIC in Zimbabwe - Alethea Mashamba (Zimbabwe)</p> <p>15h35 – 16h00 The TBIC experience in Ethiopia - Beniam Feleke (Ethiopia)</p>	<p>14h00 – 14h30 What it takes to improve IPC infrastructure - Terence Carter (South Africa)</p> <p>14h30 – 15h00 Cleaning of surfaces in HCF - Boniface Hakizimana (Rwanda)</p> <p>15h00 – 15h30 Contamination rates in ICU - Joost Hopman (Holland)</p> <p>15h30 – 16h00 Title tbc - Fabrice Fotso</p>	<p>14h00 – 14h30 Title tbc - Bimbo Sowande (Nigeria)</p> <p>14h30 – 15h00 Title tbc - Fortune Ncube (UK)</p> <p>15h00 – 15h30 Occupational risk of infection among healthcare workers in sub-Saharan Africa - Getachew Kassa (Ethiopia)</p> <p>15h30 – 16h00 Title tbc - Wilson Mashange (Zimbabwe)</p>
16h00 – 16h30	REFRESHMENTS / BEST PAPER & BEST POSTER PRESENTATION & AWARDS		
16h30 – 17h00	<p>Yves Chartier Memorial Lecture</p> <p>Water, sanitation and hygiene in health care facilities: urgent needs and great opportunities - Margaret Montgomery, WHO Geneva (Switzerland)</p> <p>Chair: Sade Ogunsola</p>		
17h00	CLOSING CEREMONY & AWARDS FOR BEST ORAL AND POSTER
